Our will and pleasure is that in a case of distinguished service a Veterinary Surgeon, if qualified, may be promoted to the rank of 1st Class Veterinary Surgeon, without reference to seniority; and in such a case the recommendation detailing the services for which the Officer is proposed for promotion shall be published in the Gazette in which such promotion shall appear.

Given at our Court at Windsor, this 7th day of July 1880, in the 44th year of our reign.

**Cl. 191.—Royal Warrant.—Payment of Pensions of Non-commissioned Officers and Men at a fixed Quarterly Rate.****VICTORIA R.**

Whereas it has been represented to us that it is expedient that the pensions granted to non-commissioned officers and men of our Army should be issued at a fixed quarterly rate, instead of under the present system;

Our will and pleasure is that from the 1st October 1880, a fixed quarterly sum (as laid down in the table appended to this our Warrant), representing the aggregate amount of each daily rate of pension, and including an allowance for Leap Year, shall be issued in substitution for the present mode of payment, under which the amount issued quarterly varies according to the number of days in each quarter;

Provided always, that for broken periods the calculation shall continue to be made at the daily rate of pension to which a man may be entitled, and that the pension for such broken period be issued accordingly.

Given at our Court at Osborne, this 21st day of July 1880, in the 44th year of our reign.

By Her Majesty's Command,

**FINANCE.****I.—REGULAR FORCES.****Cl. 190.—Royal Warrant.—Promotion of Veterinary Surgeons for Distinguished Service.****VICTORIA R.**

Whereas we deem it expedient to amend the Regulations which govern the promotion of the Officers of the Veterinary Department of our Army, by providing for the special promotion of Veterinary Surgeons who have rendered distinguished service;

Our will and pleasure is that in a case of distinguished service a Veterinary Surgeon, if qualified, may be promoted to the rank of 1st Class Veterinary Surgeon, without reference to seniority; and in such a case the recommendation detailing the services for which the Officer is proposed for promotion shall be published in the Gazette in which such promotion shall appear.

Given at our Court at Windsor, this 7th day of July 1880, in the 44th year of our reign.

By Her Majesty's Command,  
HUGH C. E. CHILDERS.

**Cl. 191.—Royal Warrant.—Payment of Pensions of Non-commissioned Officers and Men at a fixed Quarterly Rate.****VICTORIA R.**

Whereas it has been represented to us that it is expedient that the pensions granted to non-commissioned officers and men of our Army should be issued at a fixed quarterly rate, instead of under the present system;

Our will and pleasure is that from the 1st October 1880, a fixed quarterly sum (as laid down in the table appended to this our Warrant), representing the aggregate amount of each daily rate of pension, and including an allowance for Leap Year, shall be issued in substitution for the present mode of payment, under which the amount issued quarterly varies according to the number of days in each quarter;

Provided always, that for broken periods the calculation shall continue to be made at the daily rate of pension to which a man may be entitled, and that the pension for such broken period be issued accordingly.

Given at our Court at Osborne, this 21st day of July 1880, in the 44th year of our reign.

By Her Majesty's Command,  
HUGH C. E. CHILDERS.

## REGULATIONS FOR THE COMMISSARIAT DEPARTMENT.

## REGULAR FORCES.

## Cl. 192.—Correspondence.

1. Letters from General or other Officers Commanding in regard to Commissariat Service will no longer be written in duplicate.
2. Paragraph 53 of the Regulations for the Commissariat Department (Revised Army Regulations, Vol. IV.), will be amended accordingly.

## Cl. 193.—Exemption from Customs Duties.

1. The following will be substituted for paragraphs 147 to 151 of the Commissariat Regulations (Revised Army Regulations, Vol. IV., Part I.):—

147. In Foreign Possessions of the Crown, the Senior Commissariat Officer will apply to the Colonial Government for the remission of duties on supplies of every description imported or supplied by sea or inland carriage or navigation, for the public use of Her Majesty's Forces, whether the duties are imposed by Acts of the Imperial Parliament or of the Colonial Legislatures.

148. When articles ordinarily liable to duty are supplied under contract for the use of the troops, the following course will be pursued, except in those Colonies where the same indicated in paragraph 151 are taken:—

- (a.) The Senior Commissariat Officer will cause a statement to be prepared detailing the articles to be imported, and specifying the vessel in which they have arrived or will arrive.
- (b.) He will forward this statement to the proper Custom House Officer, and obtain authority thereon for the admission of the supplies free of duty.
- (c.) He will then hand over the statement to the Commissariat Officer who is to receive the supplies, in order that he may deliver the same to the Collector of Customs at the port where the goods are to be landed. The Commissariat Officer will give a receipt in duplicate for the articles delivered to him under the special intendment of the Officers of Customs.

149. These regulations are not intended to sanction the importation of any goods from places or in vessels not authorised by law. No greater quantity of goods than shall be mentioned in the statement laid before the Senior Commissariat Officer will be landed without his previous sanction; and all articles imported for the purpose of being used under contract for the use of the troops will be liable to the same examination and of entry as goods imported in due course of trade, and will be landed only in the hours of business, and in the presence of an Officer of the Customs, except in case of emergency, and by special order of the Governor, which will be obtained by the Senior Commissariat Officer as directed in paragraph 52.

150. With the view of preventing articles which have been imported duty free for the use of Her Majesty's troops from being brought into general consumption without the payment of duty, the following course will be pursued:—Heads of Departments will furnish the Senior Commissariat Officer with quarterly certificates of the articles

tities imported duty free, which have been actually used or retained for army service, and the Senior Commissariat Officer will forthwith apprise the Officers of the Customs of the particular quantities and the description of the articles returned to Contractors, sold, or otherwise not used or retained for army service, in order that they may be enabled to levy and claim the duty thereon.

151. In Colonies where, instead of allowing the free importation of articles for the use of the troops, a rebate of duty is granted, Heads of Departments will furnish to the Senior Commissariat Officer quarterly certificates of the articles and quantities actually used for army service on which duty is to be repaid, in order that he may take the necessary steps for obtaining rebate. In the case of articles provided under contract, these certificates will be given to the Contractors to enable them to claim the rebate direct.

2. A report will be made upon receipt of this circular at each foreign station, specifying what articles ordinarily used in the service are subject to customs duty under the laws of the Colony and which of the two courses referred to in these regulations is followed to secure the remission of the duty on them.

3. At stations where rebate of duty on articles supplied under contract has hitherto been credited to Army Funds, the certificates referred to in paragraph 151 will not be given to the Contractors until new contracts are made providing for the Contractors obtaining the rebate.

### G.O. 97.—Volunteer Forces.

*(Specially issued, 15th July 1880.)*

His Royal Highness the Field-Marshal Commanding in Chief has received the Queen's commands to convey to the Volunteers of Great Britain, Her Majesty's congratulations on the completion of the twenty-first year of the existence of the Force.

The Queen has watched with much interest the steady progress of the Force since its formation; and its present numerical strength, high training, and discipline, have elicited Her Majesty's unqualified satisfaction. While regretting that it has not been found possible to send a Review this year, the Queen hopes that an opportunity may present itself at no distant period which will enable Her Majesty to inspect the Volunteers in Windsor Great Park.

### G.O. 98.—Reviews.

*(Specially issued, 15th July 1880.)*

His Royal Highness the Field-Marshal Commanding in Chief has received the Queen's commands to inform General Sir D. Lysons, K.C.B., that the review which took place on the 4th instant under his orders, in the presence of Her Majesty, in Windsor Great Park, has met with Her entire satisfaction.

The soldier-like appearance of the troops, and the precision with which the several manoeuvres were executed were specially remarked, and His Royal Highness has much pleasure in conveying to the officers, non-commissioned officers, and men of all arms, the expression of Her Majesty's approval.

### G.O. 99.—Books.

The following alterations will be made in the "Rifle Exercises and Musketry Instructions" promulgated by G.O. 83 of 1879:—

In Rifle Exercises, Section 9, A *Feu-de-jolie*, page 112, add to the end of the first paragraph the words "and that bayonets will not be fixed."

And from lines 4 and 11, page 113, the words "(or records)."

## GEN. ORDERS—continued.

- In Musketry Instruction, Part IV., page 190, para. 53, line 14, for "Farrier-Serjeant" read "Farrier-Major."
- Part V., page 230, para. 131, line 13, for "50" read "50½."
- Part VI., page 263, para. 243, line 2, omit the words "a squad of."
- Part VIII., pages 282 and 283, para. 296, line 14, omit the words "but the performances of the recruits will be shown by dépôts in Form A."
- Part VIII., pages 293 and 294, para. 339, lines 23 to 25, place from the word "which" to "battalion" inclusive in brackets, and after "battalion," insert the words "and classification;" the number failing to qualify being shown in column of remarks."
- In Army Form O 1717 (late W.O. Form 928), page 3, after the words "Pay List," insert "subject to audit."

## G.O. 100.—Cavalry Pioneer Classes.

- I. A course of instruction according to the accompanying synopsis (*see* Appendix), in the duties of Pioneers, will be gone through by the Cavalry at all stations at home where practicable.
- II. Classes will be formed from those men who have followed some trade, or who are considered most likely to profit by this instruction. The instruction will be carried out regimentally under an officer and non-commissioned officer, who have received certificates from the School of Military Engineering at Chatham. Every subaltern officer will be put through a course.
- III. The men attending the classes will be struck off guards and all regimental duties, but the time occupied in the course of instruction must not exceed the number of days specified in the synopsis, even though the weather be unfavourable.
- IV. General Officers commanding in the United Kingdom will arrange for the formation of classes at the most convenient periods.
- V. Officers and non-commissioned officers who have received certificates from the School of Military Engineering at Chatham will be periodically inspected by the Commanding Royal Engineer, with a view to ascertain that the knowledge obtained at that establishment has not been lost.
- VI. The usefulness of cavalry pioneers having been fully proved, it is scarcely necessary to impress upon commanding officers the necessity for every exertion being made to have always a body of men competent to act in this capacity.

## G.O. 101.—Equipment.

G. O. 44 of 1880 is hereby cancelled.

## G.O. 102.—Leap Year.

- To complete a year's service a soldier must serve a calendar year. The 29th Feb., in leap year, is not counted as an extra day. Thus a soldier would have to serve from 28th May 1874 to 27th May 1880 to complete six years' service.
- But if the 29th February is included in any broken period of days in a soldier's service it should be credited to the man. Thus a soldier enlisted on 28th January 1874, and discharged on 27th May 1880, would reckon six years and one hundred and twenty-one days, the 29th February being here credited.

## G.O. 103. Medals.

- I. The Queen, in consideration of the arduous duties performed, and the successful conclusion of the operations referred to in the next paragraph, has been graciously pleased to command that a medal be granted to Her Majesty's Imperial Forces, and to such of Her Majesty's Colonial Forces, European or native, as were regularly organised and disciplined as combatants, whether raised by the Colonial Government or by the General Officer Commanding.
- II. The medal will be granted to the Forces employed against—
- a. The Galekas, Gaikas, and other Kafir tribes, from the 26th September 1877 to the 28th June 1878 inclusive.
  - b. Against Pokwane, from the 21st to the 28th January 1878 inclusive.
  - c. Against the Griquas, from the 24th April to the 13th November 1878 inclusive.
  - d. Against the Zulus, from the 11th January to the 1st September 1879 inclusive.
  - e. Against Sekukuni, from the 11th November to the 2nd December 1879, and including the troops that were stationed at Fort Burghers, Fort Albert Edward, Seven Mile Post, Fort Oliphants, Fort Weeber, and in Sekukuni's Valley.
  - f. Against Moirosi's stronghold.
- III. Her Majesty has also been pleased to approve of a clasp being attached to the said medal, on which will be indicated the year or years in which the recipients of the medal were engaged in the late wars, thus—

	Year on Clasp.
For operations against the Galekas, &c.	... 1877-8
" " Pokwane and the Griquas	... 1878
" " in the Zulu and Sekukuni campaigns respectively, or both	... 1879
" " as specified in paragraph II., in 1877-8-9	... 1877-8-9
" " as specified in paragraph II., in 1878-9	... 1878-9
" " as specified in paragraph II., in 1879	... 1879

the principle being that the year or years on the clasp cover all the operations in which the recipient may have been engaged in such year or years.

## GEN. ORDERS—continued.

IV. Those troops employed in Natal from the 11th January to the 1st September 1879, but who never crossed the border into Zululand, will be granted the medal without clasp.

V. The medal will be that granted by Her Majesty to commemorate the successful termination of the war in South Africa; and those officers, non-commissioned officers, and men who are already in possession of this medal, will, if they have been engaged in the operations referred to in paragraph II., receive the clasp with the year or years inscribed thereon, in accordance with paragraph III.

VI. Staff Officers and Special Service Officers will forward their applications through the General Officers under whom they served.

**GEN. ORDERS—continued.**

IV. Those troops employed in Natal from the 11th January to the 1st September 1879, but who never crossed the border into Zululand, will be granted the medal without clasp.

V. The medal will be that granted by Her Majesty to commemorate the successful termination of previous wars in South Africa; and those officers, non-commissioned officers, and men who are already in possession of this medal, will, if they have been engaged in the operations referred to in paragraph II., receive the clasp with the year or years inscribed thereon, in accordance with paragraph III.

VI. Staff Officers and Special Service Officers will forward their applications through the General Officers under whom they served.

VII. Officers who served as Heads of Departments will furnish returns of Staff Officers and others who served under their command.

VIII. Commanding Officers of Royal Artillery and Royal Engineers, and Officers Commanding Regiments of Cavalry and Infantry (Regular Forces), will forward nominal rolls of officers, non-commissioned officers, and men to the Adjutant-General of the Forces. The names of men who, except for desertion or misconduct, would have been recommended for the medal, are also to be included in the rolls, and in the column of remarks the reasons which have rendered them ineligible are to be stated. All rolls will be made out on foolscap, ruled cross-wise, with a margin of an inch on each side of the fold, so as to admit of ready reference when the sheets are bound. The names will be entered alphabetically, in order of rank.

IX. All applications on behalf of Imperial Forces are to be prepared in duplicate, in conformity with the form given in Appendix, and forwarded to the Adjutant-General of the Forces, Horse Guards, War Office, Pall Mall, London.

**G.O. 104.—Musketry.**

Officers who are candidates for employment at the School of Musketry, Hythe, or as Deputy Assistant Adjutant-Generals for Musketry, must, if they have undergone instruction at a School of Musketry at home since 28th June 1865, be in possession of a 1st class *extra* certificate.

**G.O. 105.—Officers' Dress.**

Valises will no longer be worn by officers of any mounted corps.

**G.O. 106.—Officers' Dress.**

In section 12, para. 13, of the Queen's Regulations and Orders for the Army, 1873, *omit*, "but not in review order by officers of the Staff, Artillery, Engineers, and Foot Guards."

**G.O. 107.—Officers' Dress.**

I. With reference to G.O. 82 of 1880, Field-Marshal and General Officers in possession of uniforms made in accordance with the Dress Regulations, Ed. 1874, will be allowed to wear them for a period of five years from 1st July 1880.

II. The sash will be 24 inches wide instead of 3 inches.

III. The above quoted G.O. should be amended accordingly.

**G.O. 108.—Prisoners.**

The following para. will be inserted after Section 6, para. 87, Queen's Regulations and Orders for the Army, 1873:—

87a. When a prisoner is committed to a Military Prison his Medical History sheet will be sent with him. The officer commanding the corps to which the prisoner belongs will, for this purpose, obtain the document from the Medical Officer in whose custody it is, furnishing a receipt for the same.

On the soldier's release from prison the Medical History sheet will be returned to the Commanding Officer who will send it back to the Medical Officer.

**G.O. 109.—School Reports.**

Sub-Inspectors of Army Schools will in future forward their Inspection Reports of Artillery Schools to the Colonel Commanding the Royal Artillery District.

This Officer will forward the reports to the Assistant Adjutant General of the District in which he is serving, with any observations he may wish to add.

The Assistant Adjutant-General will then forward the reports to the Inspector of Schools.

The Sub-Inspectors will continue to send copies of these reports to the Commanding Officer of the division or detachment of the Royal Artillery to which the school belongs.

**G.O. 110.—Staff Appointment.**

Her Majesty has been graciously pleased to appoint Major-General T. L. J. Gallwey to the Staff of the Army at Head-Quarters, as Inspector-General of Fortifications, *vice* General Sir J. A. Simmons, G.C.B., whose period of service in that appointment has expired.

*Dated 1st August 1880.*

**G.O. 111.—Transfers.**

General Officers Commanding Districts at home will in future carry out, without reference to authority, the transfer of men to other regiments or corps in the same arm of the service, in case of serving with their elder brothers.

## GEN. ORDERS—continued.

The course to be pursued in carrying out this class of transfer will be as follows:—

The Officer Commanding the regiment in which the younger brother is serving, will, in the first instance, forward Army Form B 241, duly filled in, to the Commanding Officer of the elder brother, who, if he concurs, will sign and return the form. The Commanding Officer of the younger brother will then submit the application to the General Officer Commanding the District in which he is serving, who will, if he think fit, authorize the transfer, and issue the necessary route for the man's removal.

Transfers to a regiment or corps in a different arm of the service, *i.e.*, from Infantry to Cavalry, Artillery, or Departmental Corps, or *vice versa*, or special cases of transfers within the same arm of the service, will be submitted to the Adjutant-General or the General Officer Commanding in Ireland, as heretofore.

By command,

"The high character of this manual requires no critical comments to recommend it. The fact of its having reached its fourth edition may be taken as sufficient evidence of its worth. Should there be a naval officer without this work in his necessarily small library, we should say, look if you cannot give it the space of a less valuable book."—*United Service Gazette*.

"A volume—a perfect knowledge of which would render any man a most agreeable and instructive companion—a guide, philosopher, and friend. It is a 'Manual of Scientific Inquiry' by the best authors, in a most compendious form, well set out and illustrated. Ordinary people might be afraid to talk to a naval officer or a traveller in general who had such a book off by heart. He certainly would possess a great deal of most useful knowledge."—*Army and Navy Gazette*.

"The present is the fourth edition of this well-known work, and although the editor has not altered the general form of the book or the arrangement of the articles, he has by adequate revision provided that such of them as required it, through the additional knowledge gained in the last twelve years, be brought up to the present epoch. It is impossible to speak too highly of this work, which may be considered as one of the most useful scientific works now published."—*Scientific Review*.

"The idea which prompted this publication was an excellent one, and the result is calculated to benefit others besides officers in Her Majesty's Navy, for whose especial use it was intended. Useful instruction in general matters of science is here provided, and the present edition conveys this instruction through the light of the latest scientific discoveries."—*Civil Service Gazette*.
